

**REQUEST FOR  
RELINQUISHMENT OF MEMBERSHIP**

The undersigned does hereby declare that, Adair County Rural Water District No. 5, hereinafter called the "Association", has fulfilled its obligation to make available rural water to the below-signed member.

The member now, by his/her signature, comes before the Board of Directors and request that the membership be dropped from the Association's rolls. It is understood that the member forfeits their original membership fee by request or due to non-compliance with the Policies and Rules of the Association. To regain membership to the Association, this landowner must apply for new membership at the Association's current membership fee. Future ability to provide a membership will be dependent upon system capacity, which may be limited and may require capital improvements to deliver adequate service. These improvements will be at member's cost. Member further represents to the Association that his/her spouse joins in this request and is authorized to execute this request on behalf of his/her spouse, if needed.
